WEST COVINA FOSTER FAMILY AGENCY DBA HOMES OF HOPE FOSTER FAMILY AGENCY CONTRACT COMPLIANCE REVIEW AND FISCAL ASSESSMENT

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Fiscal Compliance Assessment and a Contract Compliance Review of West Covina Foster Family Agency dba Homes of Hope (the FFA) in March 2015. The FFA has one office located in the First Supervisorial District and provides services to the County of Los Angeles DCFS placed children. According to the FFA's program statement, its mission is "to provide quality foster care through dynamic partnership with our certified foster families, staff and community so that we can instill hope, trust, joy and meaning in the lives of children in our care."

At the time of the review, the FFA supervised 101 DCFS placed children in 40 certified foster homes. The placed children's average length of placement was 31 months and the average age was 11.

SUMMARY

CAD conducted a Fiscal Compliance Assessment, which included an agency-wide review of the FFA's financial records, such as financial statements, bank statements, check register, and personnel files to determine their compliance with the terms, conditions, and requirements of the FFA's Contract, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State, and County regulations and guidelines.

The FFA was in full compliance with 3 of 5 areas of the Fiscal Compliance Assessment: Financial Overview; Loans Advances and Investments; and Board of Directors and Business Influence.

CAD noted deficiencies in the areas of: Cash/Expenditures, related to an incomplete fixed assets list; and Payroll and Personnel, related to an incomplete personnel file.

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe in the FFA certified homes; having been provided with good care and appropriate services; being comfortable in

"To Enrich Lives Through Effective and Caring Service"

their environment and treated with dignity and respect. The certified foster parents reported they were generally supported by the FFA staff in their efforts to provide care, supervision, and service delivery to the children placed in their homes.

The FFA was in full compliance with 8 of 11 sections of our Contract Compliance review: Certified Foster Homes; Maintenance of Required Documentation and Service Delivery; Education and Workforce Readiness; Health and Medical Needs, Psychotropic Medication; Personal Needs/Survival and Economic Well-Being; Discharged Children, and Personnel Records.

CAD noted deficiencies in the areas of: Licensure/Contract Requirements, related to Community Care Licensing (CCL) citations; Facility and Environment, related to common areas not being maintained, and a child's bedroom/interior not being well maintained; and Personal Rights and Social/Emotional Well-Being, related to children reporting not being treated with dignity and respect.

Attached are the details of CAD's review.

REVIEW OF REPORT

On February 20, 2015, Molly Sun, CAD held a Fiscal Exit Conference with FFA representatives: Sukwinder Singh, Executive Director and Ivan Colon, Accountant. Also, on May 21, 2015 Matthew St. John, CAD, held the FFA Exit Conference with FFA representatives: Sukhwinder Singh, Executive Director; Pritpal Sidhu, PhD, Administrator; Leticia Garza-Burden, Supervising Social Worker; Maria Castaneda, Quality Assurance Supervisor; and Rodrigo Recendez, Supervising Social Worker. DCFS staff included Kong Ng, Out-of-Home Care Management Division (OHCMD).

The FFA representatives were in agreement with the review findings and recommendations, were receptive to implementing systemic changes to improve compliance with regulatory standards and to address the noted deficiencies in a compliance Corrective Action Plan (CAP) and a Fiscal Corrective Action Plan (FCAP).

A copy of this report has been sent to the Auditor-Controller and CCL.

The FFA provided the attached approved CAP and FCAP addressing the recommendations noted in this report.

The on-site Fiscal Compliance Assessment focused on five key areas of internal controls:

The A-C's review identified \$11,292 in unallowable and unsupported expenditures. The A-C recommended that the FFA strengthen its internal controls, create a cost allocation plan and submit its semi-annual expenditure reports timely. The FFA has repaid the full amount owed to the County. Fiscal Compliance conducted a follow-up visit on June 1, 2015 and verified implementation of the A-C's recommendations.

CONTRACT COMPLIANCE REVIEW
FISCAL YEAR 2014-2015**

SCOPE OF REVIEW

The following report is based on a “point in time” visit. This compliance report addresses findings noted during the March 2015 review. The purpose of this review was to assess West Covina Foster Family Agency’s dba Homes of Hope’s (the FFA) compliance with its County contract and State regulations and included a review of the FFA’s program statement, as well as internal administrative policies and procedures. The compliance review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, 12 placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed eleven children. One child was a pre-verbal infant. During the home visit, the child was observed to be comfortable and well cared for in the Certified Foster Home (CFH) with their Certified Foster Parents (CFPs) who were also observed to be attuned to the needs of the child. CAD reviewed all 12 case files to assess the care and services the children received. Additionally, four discharged children’s files were reviewed to assess the FFA’s compliance with permanency efforts. At the time of the review, three children were prescribed psychotropic medication. All three case files were reviewed to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed five CFP files and five staff files for compliance with Title 22 regulations and County contract requirements. Interviews were conducted with five CFPs to assess the quality of care and supervision provided to the children.

CONTRACTUAL COMPLIANCE

CAD found the following areas to be out of compliance.

Licensure/Contract Requirements:

- Community Care Licensing (CCL) citations.

CCL cited the FFA as a result of deficiencies and findings during a facility evaluation visit on April 3, 2014. According to the report dated April 3, 2014, four social workers employed by the FFA

PAGE 2

did not meet the education requirements and the FFA did not have their exemptions on file from CCL. The requested Plan of Correction (POC) required the FFA to submit the exemption requests and in the future the FFA will obtain any necessary exemptions prior to the staff beginning work. The POC was cleared on April 9, 2014.

CCL cited the FFA for deficiencies and findings during a facility evaluation visit conducted on May 28, 2014. According to the report dated May 28, 2014 the CFP was not able to open bedroom #2 and the garage, and the Licensing Program Analyst (LPA) was not able to inspect those areas. CCL requested a POC requiring the FFA to inspect the areas that were not available to the LPA at the time of the visit and ensure that keys are available at all times. The FFA was to send a letter and certification as proof of the inspection by the POC date. The POC was cleared on June 16, 2014.

CCL cited the FFA for a deficiencies and findings during a facility evaluation visit conducted on July 17, 2014. According to the report dated July 17, 2014 bedroom #2 was being used as a passageway to bedroom #3. CCL requested a POC requiring the FFA to affirm that bedroom #2 would not be used as a separate bedroom. The FFA was required to provide pictures of the new access and new facility sketch and request an exemption for an adult to share a room with a minor. The POC was cleared on August 11, 2014.

CCL cited the FFA as a result of deficiencies and findings during a facility evaluation visit conducted on July 17, 2014. According to the report dated July 17, 2014 a smoke alarm in the hallway upstairs was removed. CCL requested a POC requiring the FFA to ensure that the CFP installs a smoke detector immediately and send CCL a picture of the installed smoke detector. The POC was cleared on July 17, 2014.

On July 22, 2015, CAD completed a follow-up by contacting the CCL duty worker who confirmed there were no new citations issued for the FFA since June 19, 2015.

Recommendation:

The FFA's management shall ensure that:

1. The FFA is in compliance with Title 22 regulations and free of CCL citations.

Facility and Environment

- Common areas were not maintained.

In CFH #1, a ceiling fan in the second kitchen was missing the light cover, leaving the light bulb exposed. The FFA provided photos to show that the light cover was replaced on March 30, 2015.

- Children's bedrooms/interior were not well maintained.

In CFH #1, one of the children's rooms had writing on one of the walls. A dresser with a vanity mirror attached had two lower drawers that did not open correctly and were missing handles. However, there was a second functional dresser was also present in the room. The FFA provided photos to show that the wall with writing on it was painted over and the non-functional dresser was removed on March 30, 2015.

Recommendations:

The FFA's management shall ensure that:

2. Common areas are maintained.
3. Children's bedrooms/interior are well maintained.

Personal Rights and Social/Emotional Well-Being:

- CFP did not treat children with respect and dignity.

In CFH #1, one child stated that when the CFPs became upset they would yell loudly in Spanish words the child did not understand and it hurt her ears. Another child in the home stated that when the CFP became upset they would say inappropriate words in Spanish. The child also expressed that she does not like how she is treated. This resulted in a referral to the Department of Children and Family Services for allegations of Emotional Abuse, which was investigated and concluded as unfounded.

The FFA provided the CFP with training on Appropriate Communication Language with Foster Children on June 16, 2015. A copy of the certificate of completion was provided to CAD on June 19, 2015.

Recommendation:

The FFA's management shall ensure that:

4. Children are treated with respect and dignity.

RE: Homes of Hope Foster Family Agency
Monitoring Review Concluded- May 21, 2015
Corrective Action Plan

Dear Matthew St. John:

West Covina Foster Family Agency dba. Homes of Hope Foster Family Agency (Homes of Hope FFA) has received the exit summary report following the contract compliance annual review of our foster family agency conducted by the Contracts Administration Division (CAD) and are submitting the following Corrective Action Plan to remediate and address the recommendation/s noted.

LICENSURE/CONTRACT REQUIREMENTS:

Field Exit Review# III:

Item#21: Are common areas/interior well maintained? (Clean/sanitary; neat; adequate furniture and lighting; home like environment, no safety hazards) (SAFETY).

Finding: Per Foster Family Agency Monitoring Review Field Exit Summary: A ceiling fan in the back kitchen was missing the light cover.

Homes of Hope Plan of Correction for Item#21: The ceiling fan light cover was put back on the fan same day by the Certified Foster Mother and a picture of the ceiling fan with light cover intact was sent to Mathew St. John on March 30th, 2015 (Please see attachment #1-Picture of the ceiling fan with light cover intact).

Item#22: Are children's bedrooms well maintained? (Clean/sanitary; neat; adequate lighting, window coverings, and storage space; beds, mattresses, furniture, flooring; full complement of clean linens on beds, age-

appropriate decorations; and appropriate sleeping arrangements) (SAFETY).

Finding: In one child room there was writing on the wall. The dresser with a vanity mirror attached had two lower drawers that did not open correctly and were missing handles. There is a second dresser available to the child in the bedroom.

Homes of Hope Plan of Correction for Item#22: *The spare dresser with missing handles was removed from the bedroom of the child and a picture of the bedroom without the spare dresser was sent to Matthew St. John CSA1 on March 30th 2015. (Please see attachment# 2-Picture of the bedroom without the spare dresser in the child's bedroom).*

The bedroom wall was cleaned of writing on the wall and proof of the correction was submitted to Matthew St. John CSA1 on March 30th 2015 (Please see attachment #3-Bedroom wall without writing on the wall).

Field Exit Review# IV:

Item#2: Is the agency free of substantiated Community Care Licensing complaint's reports on safety and physical plant deficiencies since the last review?

Finding: Per Foster Family Agency Monitoring Review Field Exit Summary- There were four CCL citations issued during the past year during Facility Evaluations and these four citations were cleared by CCL.

Homes of Hope Plan of Correction #4: *Homes of Hope FFA has addressed this issue in a number of different ways:*

- *Homes of Hope FFA has an approved Plan of Correction from CCL to ensure that all exceptions for social workers will be obtained prior to the social workers starting the job. An internal audit system has been put in place to ensure that this kind of deficiency does not happen again. This deficiency was cleared by CCL within two weeks of the facility visit by CCL on April 16, 2014.*
- *To ensure the safety and wellbeing of our children in placement and in order to keep our resource families up to date with continued education, Homes of Hope FFA ensures Certified Foster Parents are frequently retrained on Title 22 CCL regulations regarding buildings and grounds. To ensure physical plant compliance with CCL Title 22 regulations, Homes of Hope FFA social workers now conduct a formal physical plant inspection every other month instead of on a quarterly basis. Additionally Homes of Hope FFA social worker supervisors conduct a formal physical plant inspection every 6 months instead of 12 months. Three citations regarding buildings and grounds were cleared by CCL on June 16, 2014, July 17, 2014, and August 11, 2014.*

Field Exit Review# VIII:

Item#51: Do children report being treated with respect and dignity? (Well-Being).

Finding: A child stated that when the CFM's husband becomes upset he yells in Spanish something that she does not understand, and it hurts her ears because it is loud.

A child stated that when the CFM or her husband becomes upset they will say "ay cabrona" or "chinga la madre", which the child did not know the translation but knew that it was

not appropriate. The child expressed that she is not getting along with the CFM the biological teenage children, CFM's husband in the home and would like to move because of how she feels she is treated.

Homes of Hope Plan of Correction for Item#51: *The certified foster mother's husband is a brain stroke survivor with substantial damage to speech and language. Due to slurred speech his communications are not very clear and sometimes comes across as angry.*

For future placements children will be educated and made aware of the communication deficits and will be provided with some awareness training as to how to listen to a stroke survivor and seek help from the certified foster mother in understanding the interactions of the husband of CFM.

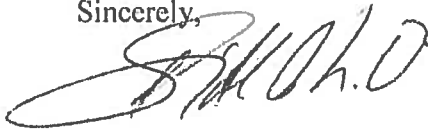

Certified foster mother was retrained on Appropriate Communication/Language with Foster Children (Please see attachment#4- Certificate of Training).

Mr. St. John and Ms. Kirkpatrick it was a pleasure working with you during our monitoring review field visit of March 18, 2015. In a continuing effort to diligently pursue the goals of Safety, Permanence, and Well-Being for the children and youth that we serve in partnership with the Department of Children and Family Services, it is the sincere intention of Homes of Hope to meet all contract requirements and fully support the collaborative efforts to meet the needs of LA County's dependent children and provide a quality care to our children in placement.
